"bundles" of clothing items with even one item that does not meet the seasonality guidelines will be pulled, please use care when creating bundles. Ideally, bundles are all the same brand & type of clothing and MUST be the same size.

For Spring Sale: –

Long sleeved tops (including onesies/bodysuits) will need to be for holiday wear (like a boys dress shirt or white/pastel cardigan sweater for Easter or have a spring holiday theme (St. Patrick's Day – Paducah Only, Easter, 4th of July) in order to be accepted at a spring sale.

Lightweight long sleeved cotton sleepers will be accepted in infant (preemie to 24 month) sizes only, long sleeve PJ's in sizes 2 & up will not.

We understand that long sleeved items can still be worn in the spring & summer, but there simply isn't room for them at the sale.

For Fall Sales:: Short sleeved tops (including onesies/bodysuits) will need to have a collar (like a "polo" shirt), a fall theme (like footballs or Halloween/Thanksgiving/Christmas/Valentines and St Patrick's Day – Elizabethtown Only), or be paired with other fall/winter items (like under a corduroy jumper or with a matching pants & sweater set – this means LEGITIMATELY CAME FROM THE STORE PAIRED WITH, NOT JUST ADDED TO A BUNDLE OF RANDOM CLOTHING) in order to be accepted at a fall sale.

We understand that short sleeved tops can be worn under other items in the fall & winter, but there simply isn't room for them at the sale.
